

Art4Life® - South Carolina

No Cost Grant-Funded Art Program Opportunity for 100 Nursing Homes

Last call! Hurry...before you miss it! 83 Homes now participating!

This dignity-promoting arts initiative can be offered to residents and patients in individual or group settings to offset the effects of isolation, trauma, PTSD, addiction, Alzheimer's Disease, cognitive, mental, developmental, or other impairments. It's for everyone!

We train your staff to deliver this therapeutic, expressive, fine-arts program that greatly differs from arts and crafts. Grant includes quality art materials, training, program resources, support, and listing your care center on our website as a "Participating Community" — at no cost to you.

4 Continuing Education Hours for: Administrators, Nursing, Activities, Therapy, Social Services, Medical Services / Records, Pharmaceutical, and Food Services staff – approved by the SC Board of LTC Administrators through CE Broker.

Participating Communities List: Potential residents and family members will identify your care center as one that goes beyond traditional methods of care. View List: [Click](#)

Quality Improvement Initiative! As a trusted part in health care quality and member of the Health Quality Innovation Network, **Constellation Quality Health (formerly CCME)** is pleased to support the Art4Life program which aligns with its scope of work and quality initiatives.

This initiative is a program by the **Thriving4Life®** nonprofit organization. Offered by **Tennessee Technological University's Whitson-Hester School of Nursing**. Funding provided by the **Centers for Medicare and Medicaid Services** in partnership with the **South Carolina Department of Health & Environmental Control**.
